

Ministry Description

The Pittsford Congregational Church was first organized in 1784. It has long played a vital role in the community.

In the recent past significant modifications were made to the building. These include complete wiring upgrade, new furnace, new handicap accessible bathroom facility and an elevator leading from Fellowship Hall to the sanctuary.

Pittsford is a small village with approximately 3200 people and is in close proximity to Vermont's third largest city, Rutland.

Opportunities for recreation are "endless" with several state and federal lands open to the public. The town of Pittsford has an active recreational program serving children and adults as well. There is a local elementary school and secondary students attend a union high school nearby. Pittsford is a great town to live in.

We have been without a settled pastor for almost two years and are looking for someone who enjoys a challenge and looks forward to the opportunity in making a difference in the life of a church. Our worship service is an important part of our ministry. We appreciate good sermons as well as a strong leader.
