About BACC: Founded in 1828, the church today is a small congregation of mainline Protestant worshipers (United Church of Christ) that actively welcomes LGBTQ+ members, with a strong commitment to racial and environmental justice. Through our ministries, we also provide food relief to thousands in Allston-Brighton at our twice-monthly [food pantry](#). All of our staff are required to follow COVID safety protocols set by the church.

Who We're Looking For: This residency is for a person who is both Trans AND BIPOC (Black, Indigenous, and People of Color). We recognize the barriers that someone with these dual identities faces to being installed as a minister in their first church and we want to actively combat those barriers. We also recognize the incredible gifts that Trans and BIPOC pastors add to a congregation!

- **Mentorship** from trans & BIPOC senior minister
- **Meeting** with a committee of congregants to offer support
- **Opportunities** to continue education
- **Community of Practice** of support with other trans/bipoc ministers
- **Connection** with resources for gender affirming surgery
- **Support** through personal/family crisis

Responsibilities:

- Pastoral Care
- Preaching and worship leadership
- Teaching and spiritual formation
- Supporting our food justice ministries
- Leading in other areas of the church, depending on the resident's learning goals
