

Associate/Co-Pastor

Progressive Spirit UCC (formerly Arlington Congregational Church in Jacksonville, FL) seeks a pastor to work along side our current Sr. Pastor to help our church grow and flourish. Specifically, what we need is a pastor to lead ministry, missions, and programming, and care for the congregation while Rev. Dr. Michael Piazza focuses on growing the church and our robust online ministry. Our hope is to find someone with complimentary skills who would be open to being mentored by a successful and experienced colleague. Ultimately, we seek someone who might be our future Sr. Pastor, but who is secure enough to learn for a couple of years until that happens. As always, the final decision on that will be the congregation's when that transition time comes. We are trying to do this search in a way that will be less disruptive to congregational life, and consume less of our attention and energy while we continue to recover from COVID. Resumes and/or profiles can be emailed to sjones@accucc.org
